TO Chief, FEW

DATE: 5 July 1950

FROM

SUBJECT: GENERAL

SUBJECT: SPECIFIC Subject of WFP 5256

1. Landreth M. Harrison, First Secretary, Political Section, U.S. Embassy, Paris, when questioned as to any knowledge he might possess concerning Subject's activities replied to the following effect:

"He is a very important man who runs a large service in Germany controlled by my counterparts. He often comes to Paris to attend meetings of Russian groups, and at such times he sees me, as there are often things to ask him which originate locally or in Washington.

"It is most improbable that Subject may be doubled or doubling because he was given an extremely thorough check in Europe and in Washington."

2. The above is a gist of HARRISON's remarks, which he requests us not to reveal to our liaison sources. HARRISON also stated that he had already heard "the story" about Subject.

3. As for the building mentioned at the address noted in reference report, HARRISON does not believe it is owned by the Soviet Embassy, but he says there is a cobbler's shop located there whose proprietor observes the arrivals and departures in the building for the Russian Embassy.
